HAMAD PORT

VISITORS CENTRE مركز الزوار

HAMAD PORT VISITORS CENTRE HAND BOOK

INTRODUCTION

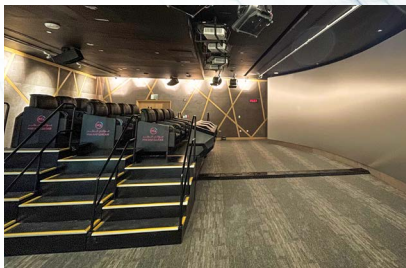

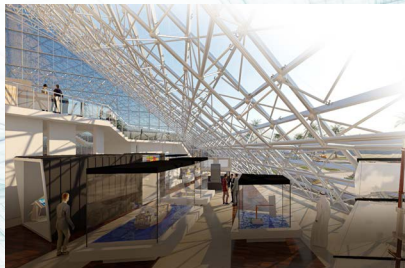

Hamad Port Visitors Center is very unique in design and is purpose-built to showcase the maritime history and achievements of Qatar. This iconic center would be one of its kind, enriched with educational activities related to the Port operations, Port construction and the history of maritime activities in Qatar. The center would have a Maritime Museum, virtual simulators and an oceanic aquarium.

A multi-purpose hall would highlight the big picture of the nation's prestigious port and demonstrates the vision, resources and commitment required to deliver Hamad Port, a mega-project. There will be a simple café at the end of the experience where visitors can relax with a coffee and reflect on and discuss the fascinating things that they have just experienced and learnt. There will also be a retail shop for the sale of memorabilia.

Many exciting additional features would be added to the visitor center, which is slated to be a tourist destination in the future.

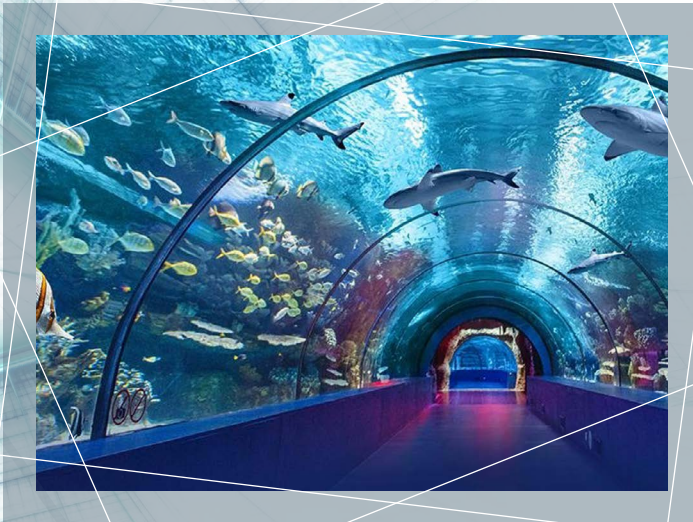

FACILITIES

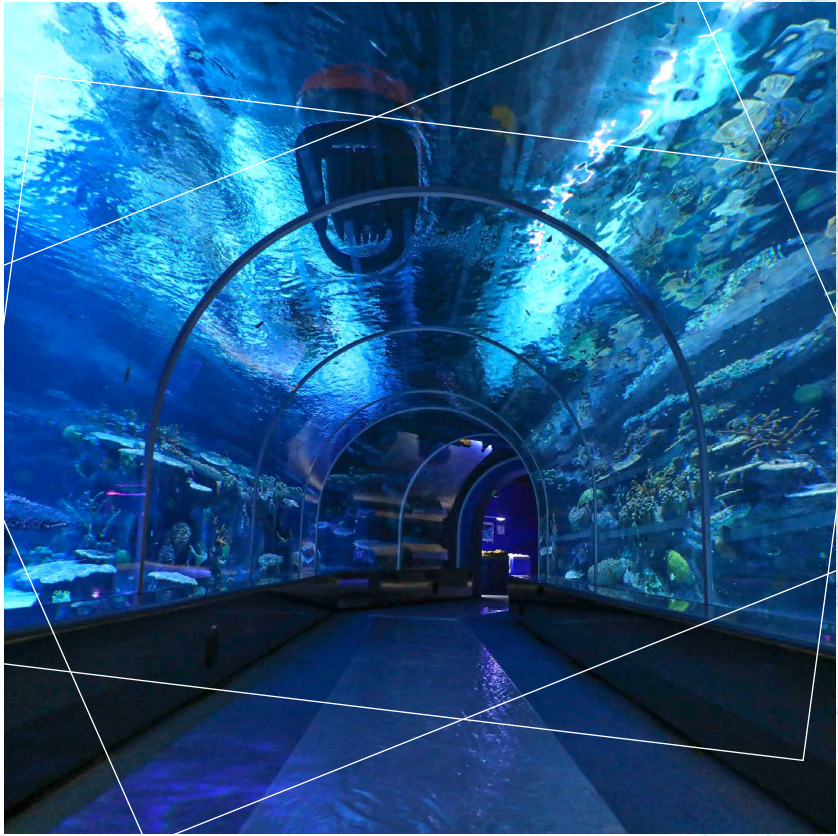

- Aquarium
- Maritime Museum
- 4D Cinema
- Auditorium
- Cafeteria
- Administration Offices.
- The Gift Shop
- Landscape
- Outdoor Kids Play Area

AQUARIUM

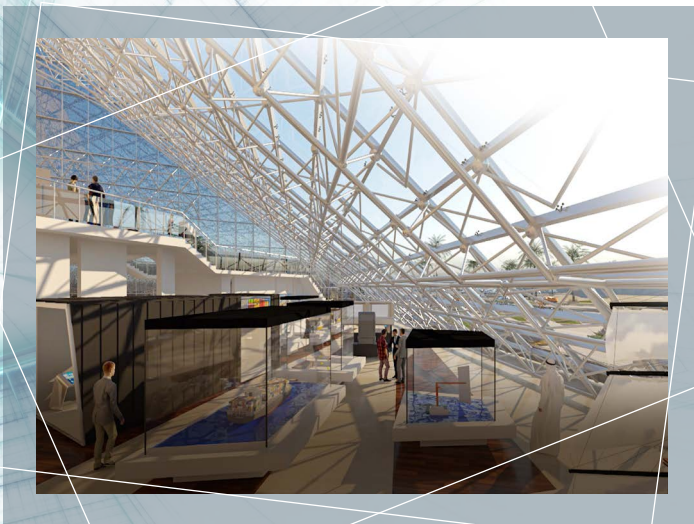

The Hamad Port Visitors Centre Aquarium is second-to-none in Qatar. Featuring 17 basins of different sizes, the aquarium displays 80 species of fishes and aquatic creatures: 3,063 in total. It will be a fun destination for students and all types of visitors of all ages to learn more about Qatari marine life and Umm Al Houl environment in general.

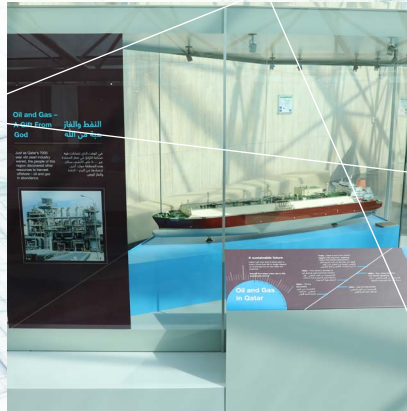

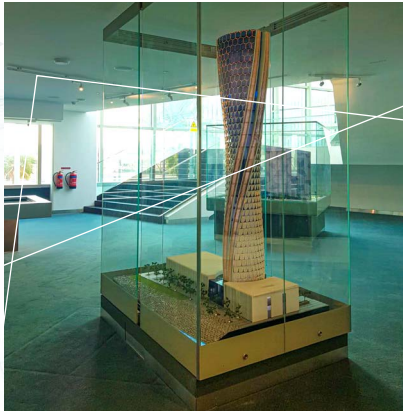

MARITIME MUSEUM

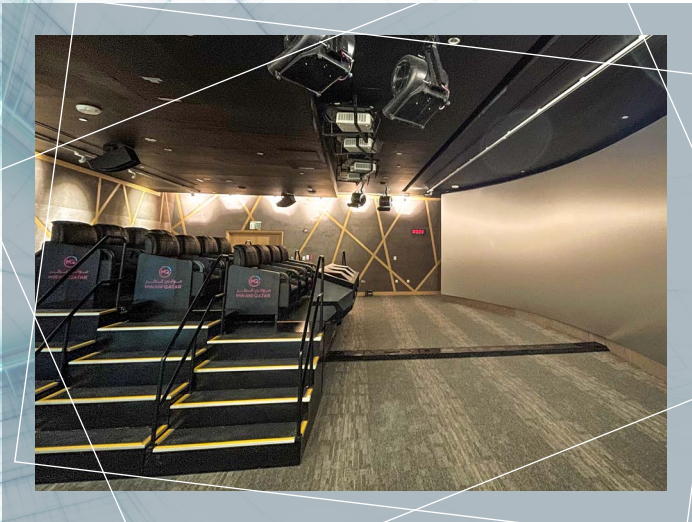

The Hamad Port Visitors Centre Maritime Museum was built in an area of 1,284 m² to tell fascinating stories; the story of the shipping containers and containerships, the story of Hamad Port and its importance to our lives, how the port operates and how Qatari maritime heritage and trade evolved over the years.

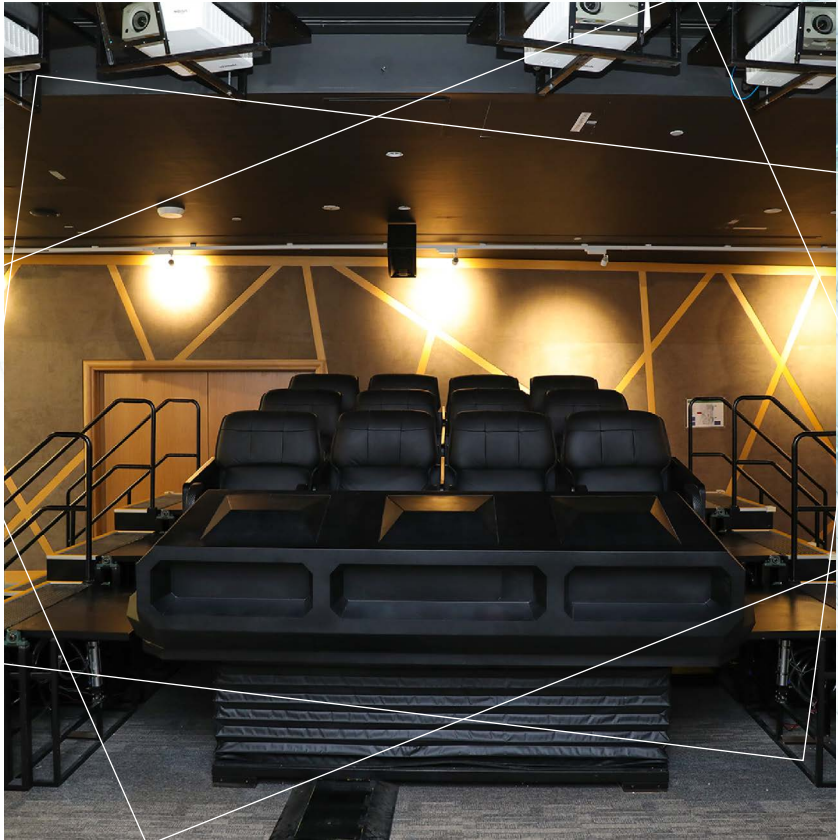

4D CINEMA

The 4D Cinema hall is distinguished by its 4D technology, where the seats move with effects in the film that highlights the big picture of the nation's prestigious port and demonstrates the vision, resources and commitment required to deliver the mega-project Hamad Port in a fun and enjoyable way.

AUDITORIUM

The Auditorium is uniquely designed with a high-quality sound system, and 200 tiered seats in a fixed theatre-style set-up designed to provide an optimal experience for the visitors.

THE GIFT SHOP

You want an exceptional souvenir that will always remind you of this wonderful experience? Pass by the gift shop as it offers you a wide selection of special aquatic gifts and souvenirs.

LANDSCAPE

Commitment to sustainability was a major goal in all phases of the construction of the Hamad Port Visitors Center, which is characterized by its landscapes and green spaces, which provide a relaxed marine related environment for visitors to enjoy the exceptional experience in the center's facilities.

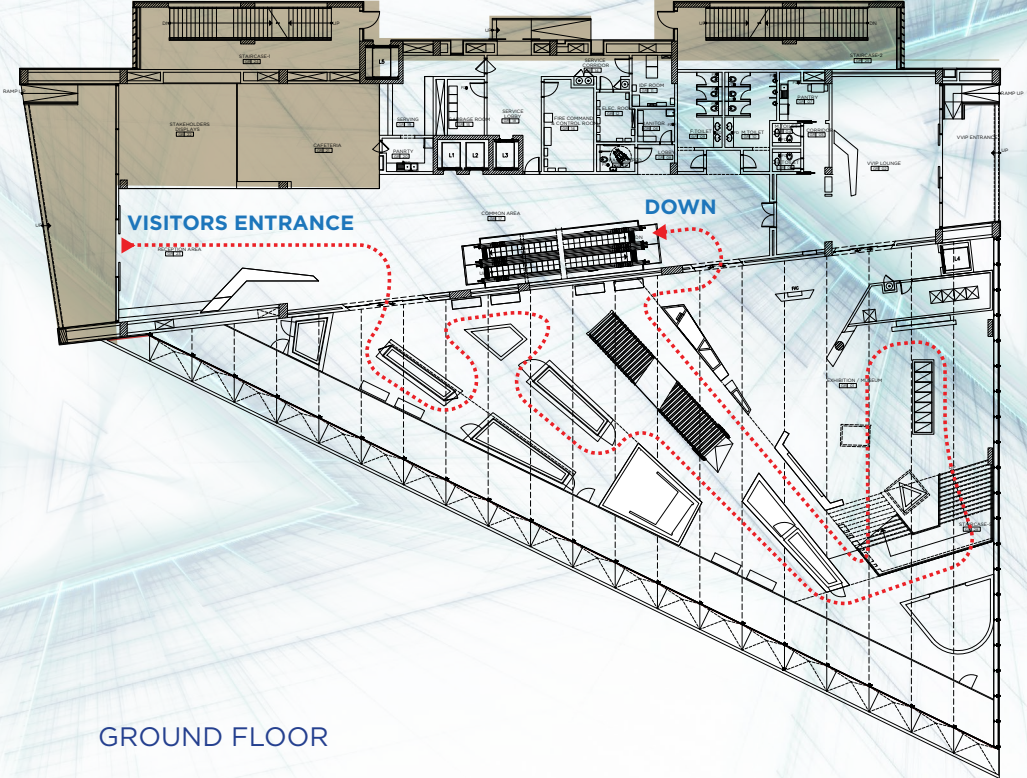

OUTDOOR KIDS PLAY AREA

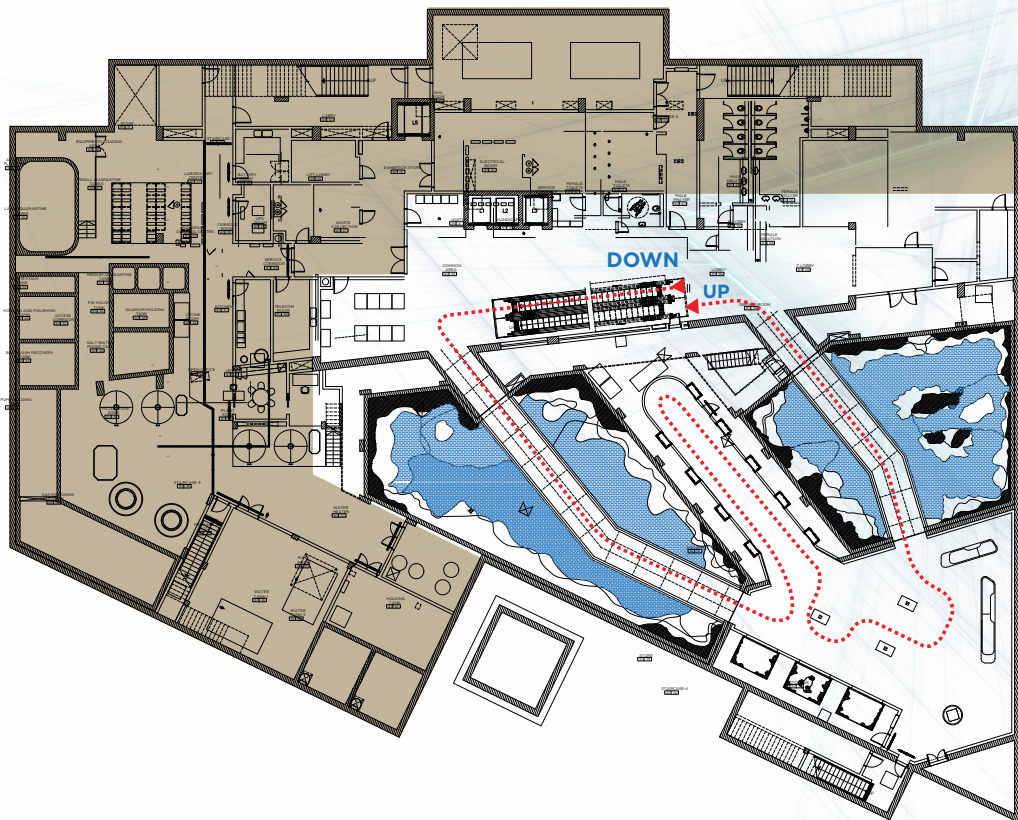

The Hamad Port Visitors Center offers an outdoor kids play area that allows them to spend the most enjoyable times of fun and entertainment through many entertaining things that they can do, in addition to recreational games such as riding games and others.
